Great benefits support great educators

*See inside for important details, including enrollment deadlines!*

# welcome

Providing great benefit choices to you and your family is just one of the many ways Torrance Unified School District (“TUSD”) supports the physical, financial, and emotional well-being of the people who make us successful — you.

## Your benefits

TUSD recognizes how important benefits are to you. That's why we're committed to supporting your overall wellness with a comprehensive benefits program designed to meet your unique needs. Key features of your TUSD benefits include:

- Choice among many popular benefit options.
- Effective and cost competitive health care coverage.
- Programs to help ensure financial security for you and your family.

## Take action

Use this guide to better understand your 2021-2022 benefits, so you can make the best choices for yourself and your family. Then be sure to enroll by the enrollment deadline to ensure you receive coverage.

**The annual Open Enrollment period begins August 2 and ends August 31, 2021, for benefits effective October 1, 2021.**

**If you are enrolling any dependents for the first time or would like to continue covering any dependents, you will be required to show documentation proving they are your eligible dependents. Please refer to page 11 for specific details about required documentation.**

**For information about the District's contributions towards your cost of benefits, please review the Fringe Benefit Packet document posted on [www.tusd.org/benefits](http://www.tusd.org/benefits).**

## Who is eligible for coverage?

All full-time and part-time benefit eligible employees on TUSD payroll are eligible on the first day of the month following date of hire. Eligible employees must choose health and pre-tax voluntary benefits within 30 days of hire.

You may enroll eligible dependents: legal spouse/domestic partner and children to age 26, plus dependent children of any age who meet plan/Internal Revenue Service criteria.

## Effective date of coverage

For all new employees, the effective date of coverage for all CORE benefits is the first day of the month following your date of hire. If you are hired on the first day of the month, your coverage begins on the first day of the following month. If you are hired on the last day of the month, your coverage begins on the first day of the following month. For existing employees enrolling during Open Enrollment, the effective date of coverage is October 1, annually.

Existing employees may only make changes to health and insurance coverage during the annual Open Enrollment period, unless there is a qualifying life event outside the Open Enrollment period.

## More information

You can find more information about your benefit plans, including detailed Summary Plan Descriptions (SPDs), on [www.tusd.org/benefits](http://www.tusd.org/benefits).

## Important reminders

- **Open Enrollment: Enroll before the enrollment deadline.**  
All employees are required to meet with an American Fidelity Assurance (“AFA”) representative to confirm their personal information is current and to show valid documentation, if enrolling dependents.
- **New employees: Enroll within 30 days from your date of hire.** If you don’t enroll within this time period, you will not have health and insurance benefits coverage except for basic life and AD&D insurance.

**After your enrollment opportunity ends, you will not be able to make changes to your health and insurance benefits** until the next Open Enrollment, unless you experience a qualifying life event, such as marriage, divorce, birth, adoption, or a change in your or your spouse’s employment status that affects your benefits eligibility.

## Summary of Benefits and Coverage, and Other Required Notices

The Health section of this guide provides an overview of your medical plan options. You can find detailed information about each plan, including a breakdown of costs, in each plan’s Summary of Benefits and Coverage (SBC). The SBCs summarize important information about your health coverage options in a standard format to help you compare costs and features across plans.

The annual required plan notices, Children’s Health Insurance Program (CHIP)/Medicaid notice, and the SBCs are available on [www.tusd.org/benefits](http://www.tusd.org/benefits). Paper copies are also available by contacting the TUSD Benefits Department.

# health

Quality health coverage is one of the most valuable benefits you enjoy as a TUSD employee. Our benefits program offers plans to help keep you and your family healthy and also provide important protection in the event of illness or injury.

## Health insurance costs

The amount due is deducted from your paycheck during the months of October through July or payable to TUSD as directed by the TUSD Benefits Department. Your specific costs are determined by the plans you choose, the coverage levels you select and the amount of TUSD fringe dollars that are applicable.

## Medical plans

Employees have a choice between three medical plans (one EPO and two HMO plans).

## 2021-2022 medical plan options

- **TUSD Medical EPO Plan:** an exclusive provider organization (EPO) plan, administered by Pinnacle Claims Management, Inc. that uses the Anthem medical network and gives you access to Preferred Provider Organization providers (in-network coverage only).
- **Kaiser HMO (health maintenance organization) Plans:** a deductible plan (Kaiser Basic) and a traditional plan (Kaiser B) without deductibles plan is offered.

## Key features

All of TUSD's medical plans offer:

- Comprehensive, competitive coverage for a wide range of health care services.
- Free in-network preventive care, with services such as annual physicals, recommended immunizations, well-woman and well-child exams, flu shots, and routine cancer screenings covered at 100%.
- Prescription drug coverage included with each medical plan.
- Financial protection through annual out-of-pocket maximums that limit the amount you'll pay each year.
- Choice of four coverage levels: Employee Only, Employee + Spouse/Domestic Partner, Employee + Child(ren), or Family.

## Medical 2021-2022 tenthly rates

### Money-saving tips

To stretch your health care dollars, remember to:

- **See in-network providers** – They've agreed to the plan's negotiated rates. Visit your plan's website to search for in-network providers near you.
- **Use the mail-order pharmacy** – It will save you time and money when refilling long-term prescriptions.

# dental and vision benefits

Coverage Level	VSP Vision
Employee Only / all coverage levels	\$25

## Money-saving tip

Remember, you can use your FSA for qualified out-of-pocket dental and vision expenses.

# flexible spending accounts (FSAs)

## How it works

Tax-advantaged FSAs are a great way to save money. The money you contribute to these accounts comes out of your paycheck without being taxed, and you withdraw it tax-free when you pay for eligible health care and dependent care expenses.

TUSD offers you the following FSAs:

### Health Care FSA

- Pay for eligible health care expenses, such as plan deductibles, copays, and coinsurance.
- Contribute up to \$2,750 in 2021.

### Dependent Care FSA

- Pay for eligible dependent care expenses, such as day care for a child so you and/or your spouse can work, look for work, or attend school full time.
- Contribute up to \$5,000 in 2021, or \$2,500 if you are married and filing separately.

If you currently have an FSA, you will be required to specify your total annual contribution each year during Open Enrollment. If you do not currently have an FSA, you must contact AFA to enroll.

## Estimate carefully

Decide how much you want to contribute by estimating out-of-pocket health care and dependent care expenses you expect to incur between October 1, 2021 and September 30, 2022. The amount of your total election is deducted/divided evenly across each paycheck during the months of October 2021 through July 2022. Your contributions are automatically deducted before taxes.

Please note, eligible expenses must be submitted within 90 days of the end of the plan year and unused contributions are not refundable. However, the health care FSA includes a special provision which allows you to carryover up to \$550 of unused contributions from one plan year to the next.

## Managing your FSA(s)

When you enroll in a Health Care FSA, if requested, AFA will send you a debit card, which you can use to pay for eligible expenses. Depending on the transaction, you may need to submit receipts or other documentation to AFA.

## What's an eligible expense?

- **Health Care FSA** – Plan deductibles, copays, coinsurance, and other health care expenses. To learn more, see IRS Publication 502 at [www.irs.gov](http://www.irs.gov).
- **Dependent Care FSA** – Child day care, babysitters, home care for dependent elders, and related expenses. To learn more, see IRS Publication 503 at [www.irs.gov](http://www.irs.gov).

# focus on wellness

You play an important role in managing your health care costs by maintaining or moving toward a healthy lifestyle. The TUSD benefits program is here to help you.

## Employee assistance program

The TUSD Employee Assistance Program (EAP) is available throughout the year to assist with your everyday needs, at no cost to you or your household members. It's all part of our commitment to supporting your total well-being. Get help with parenting, family/marital relationship issues, anxiety, stress or other work-life issues. The EAP covers referrals for three counseling sessions (face-to-face, telephonic or video) per problem per year. To begin taking advantage of this valuable benefit, contact the EAP 24/7 at **(800) 662-7241** or visit [www.myachieve.com](http://www.myachieve.com).

## Take advantage of preventive care benefits

Good preventive care can help you stay healthy and detect “silent” problems early, when they’re most likely to be treatable. Most in-network preventive services are covered in full, so there’s no excuse to skip them.

- **Have a routine physical exam each year.** You’ll build a relationship with your doctor and can reduce your risk for many serious conditions.
- **Get regular dental cleanings.** Numerous studies show a link between regular dental cleanings and disease prevention — including lower risks of heart disease, diabetes, and stroke.
- **See your eye doctor at least once every two years.** If you have certain health risks, such as diabetes or high blood pressure, your doctor may recommend more frequent eye exams.

### Don't have a personal doctor? You should. Here's why.

- **Better health.** Getting the right health screenings each year can reduce your risk for many serious conditions. And remember, preventive care doesn't cost you anything.
- **A healthier wallet.** A primary care physician can help you avoid costly trips to the emergency room. Your doctor will also help you decide when you really need to see a specialist and can help coordinate care.
- **Peace of mind.** Advice from someone you trust — it means a lot when you're healthy, but it's even more important when you're sick.

### Get care from wherever you are

When you don't feel well, or your child is sick, the last thing you want to do is leave the comfort of your home to sit in a crowded waiting room full of other sick people.

A nurse line visit, included as a covered service under the TUSD medical plans, lets you talk to a medical professional from the comfort of your home or office without an appointment. Consider a nurse line visit when your doctor isn't available, you become ill while traveling, or you're considering visiting a hospital emergency room for a non-emergency health condition. To learn more and to access care, call **(888) 546-8463** (TUSD Medical)/go to [www.kp.org/getcare](http://www.kp.org/getcare) (Kaiser).

# financial

TUSD offers company-paid and voluntary benefit options that offer added peace of mind and help ensure financial security for you and your family.

## Life and accident insurance

As a TUSD employee, you receive District-paid life and accidental death and dismemberment (AD&D) insurance and have the option to purchase additional voluntary life insurance for yourself and your family.

### District provided\*

- Employee basic life insurance of \$25,000 for full-time and part-time benefit eligible certificated and classified employees, and \$60,000 for board members and all full-time management employees.
- Employee basic AD&D\*\* benefit equal to the employee basic life benefit.

\* Federal tax law requires TUSD to report the cost of District-paid life insurance in excess of \$50,000 as imputed income.

\*\* AD&D benefits are paid if you lose, or lose the use of, body parts or functions or if you die in an accident.

### Employee paid

- You may elect coverage of five times your annual salary up to \$500,000; a spouse/domestic partner may elect 50% of your coverage amount up to \$250,000; each child may elect a maximum of \$10,000 (if between the age of six months and 26 years old) or \$100 (if between the age of one day to less than 6 months old).
- Coverage is available in \$10,000 increments for employee coverage, \$5,000 increments for spouse/domestic partner coverage, and \$2,500 for child(ren) coverage.
- Employee, spouse/domestic partner and child(ren) voluntary AD&D benefit is equal to the voluntary life benefit.
- The cost for dependent children coverage is the same regardless of the number of children.
- Newly eligible employees may elect up to \$150,000 of coverage for themselves and \$30,000 of coverage for a spouse/domestic partner without evidence of insurability ("EOI").

**Note:** If you don't enroll in TUSD's voluntary life insurance plan when first eligible, you will be subject to EOI and Lincoln Financial Group approval will be required before coverage is effective.

### What is AD&D insurance?

Should you lose your life, sight, hearing, speech, or use of your limb(s) in an accident, AD&D provides additional benefits to help keep your family financially secure. The AD&D benefits paid depends on the type of loss.

The information shown here is a brief summary. The actual terms are set forth in the Lincoln Financial Group certificate of coverage.

# retirement and voluntary benefits

## 403(b), 457(b) and Roth plans

The 403(b) tax-sheltered annuity plan and 457(b) deferred compensation plan may provide advantages you may not get with other types of savings plans and helps you meet one of life's important goals — saving for a financially secure future.

For more information about the annuity and deferred compensation plans, go to [www.tusd.org/benefits](http://www.tusd.org/benefits). For information about the Roth plans available, please contact SchoolsFirst Plan Administration.

## Voluntary plans

The loss of income due to illness, disability or death can cause serious financial hardship for you and your family. That's why TUSD offers additional voluntary (employee paid) insurance plans to cover accident, critical illness, disability, etc.

For information about these plans and other available programs, please contact AFA (for available California Teachers Association plans, please contact The Standard).

## Thinking about retiring early?

**Plan for a healthy future!** Nearly 65% of people are confident they'll have enough money to cover their basic living expenses in retirement. But when asked if they'll have enough for their health care expenses, their outlook is far less rosy. Not surprising when you consider basic health care for a couple in retirement is \$349,000<sup>1</sup>, and that amount comes close to doubling if one of you needs long-term care.<sup>2</sup>

By planning in advance, and contributing as much as you can to your 403(b) tax-deferred annuity plan and your 457(b) deferred compensation plan, you can be more prepared for both the fun and the necessities that retirement will bring.

TUSD makes available for purchase health care insurance for district retirees. Retirees under the age of 65 have the choice to enroll in one of two medical/drug plans (TUSD Medical or Kaiser), two dental plans (with Delta Dental) and one vision plan (with Vision Service Plan). For more information, please contact the TUSD Benefits Department.

## Have you named a beneficiary?

Be sure you've indicated a beneficiary for all of your policies. The beneficiary will receive the benefit paid by a policy in the event of the policyholder's death or specific health condition. It's important to designate a beneficiary and keep that information up-to-date. Contact the TUSD Benefits Department to add or change a beneficiary.

# enroll

Carefully consider your benefit options and your anticipated needs. Then follow the instructions to enroll yourself and any eligible dependents in health and insurance benefits for 2021-2022.

## How to enroll

All employees are required to meet with AFA to confirm their personal information is current and to show valid documentation, if enrolling dependents. To schedule an appointment with an AFA representative, contact AFA at **(800) 365-9180, extension 0** or <https://enroll.americanfidelity.com/8F5DD76E>.

For more information or assistance:

- Refer to the benefits enrollment packet mailed to your home that includes log in information for TUSD's enrollment portal ([www.enrollmentsolutions.com](http://www.enrollmentsolutions.com); company ID: TUSD08).
- Contact the TUSD Benefits Department at **(310) 972-6036** or **benefits@tusd.org**. The TUSD Benefits Department is available to assist you Monday through Friday between 8:00 a.m. and 5:00 p.m. Pacific Time.

### Log in information for new employees

Please refer to your benefits enrollment packet that includes your specific login ID and password for TUSD's enrollment portal ([www.enrollmentsolutions.com](http://www.enrollmentsolutions.com)).

## What happens if you don't enroll?

Once your enrollment deadline has passed, you will not be able to enroll/make changes to your benefits until the next Open Enrollment period unless you experience a qualifying life event. **For information about the reinstatement process, please refer to TUSD's Open Enrollment and Late Payment Policy (<https://bit.ly/2QgJzU4>).**

**As a new employee – If you don't enroll in health and insurance benefits within 30 days of your hire date, you will not have benefits coverage, except for plans and programs that are fully paid by the District, such as basic life and AD&D insurance, and the employee assistance program.**

**During Open Enrollment –** If you want to make changes to your benefits or enroll in an FSA, you must take action before the Open Enrollment deadline.

## Changes during the year

After your enrollment opportunity ends, you won't be able to change your health and insurance benefits coverage during the year unless you experience a qualifying life event, such as marriage, divorce, birth, adoption, or a change in your or your spouse/domestic partner's employment status that affects your benefits eligibility.

# enrollment checklist

Please use this checklist to complete your benefits enrollment. Circle your benefit choices and record any contribution amounts for reference.

## Reminders

- You must meet with AFA (call (800) 365-9180, extension 0 or visit <https://enroll.americanfidelity.com/8F5DD76E> to make an appointment) and complete the benefits enrollment process by Tuesday, August 31, 2021.
- For information about the District's contributions towards your cost of benefits, please log in to TUSD's enrollment portal ([www.enrollmentsolutions.com](http://www.enrollmentsolutions.com)).
