

Calle Mayor Incoming 6th Grade Class Selection

Welcome to Calle Mayor Middle School.

Where do we find out about all the cool classes at Calle Mayor?

- All Class information can be found on the Calle Mayor Website: <https://www.tusd.org/schools/calle-mayor/index>
- Some helpful information for understanding our elective classes: Click on the **PARENT** section, titled “**ELECTIVE CLASS Descriptions**”.
- Some helpful information for understanding our math pathways: This can be found on the “**PROGRAMS**”, section the “**Math Department Page**”.
- The **Incoming 6th Grade Parent Night Presentation, Virtual Tour** and this **Incoming 6th Grade Class Selection** powerpoint can be found on the Calle Mayor website.

Login and Password: You will need your Login(Student ID) and Password. If you do not have these, you can contact your child's **CURRENT** school secretary. Incoming 6th grade students will need to contact their current Elementary School for this information.

- POWERSCHOOL website, to LOGIN is located at:
<https://ps.tusd.org/public/>
- There is an additional link on the Calle Mayor Main Page Website:
<https://www.tusd.org/schools/calle-mayor/index>

The screenshot shows the PowerSchool login interface. At the top is a dark blue header with the PowerSchool logo. Below the header, the title "Student and Parent Sign In" is displayed. There are two buttons: "Sign In" and "Create Account". Below these are two input fields: "Username" and "Password". A link "Forgot Username or Password?" is located below the password field. A "Sign In" button is located at the bottom right of the form.

6th Grade Calle Mayor Math					
Math 6 is not your regular math class, by design Torrance Unified School District's Math 6 class is extremely rigorous and demanding. There is no need to rush students in math, the purpose of the middle school is build a solid foundation in math to set students up for success in high school. It is not a race to see how much math you can take in middle school, advancement in math in high school is guaranteed for ALL students regardless of the math class that they take in middle school. There is no college advantage to placing your child in advanced math in the middle school, advancement in middle school too early can actually damages the child's future in math. The 6th Grade will not be the last opportunity your child will have to advance in math.
