

Service Hours Project

The purpose of the Service Hours Project is to acquaint the 8th Grade class of Calle Mayor with the need to become participating agents of change by providing service to both their school and community. Students are expected to complete at least five hours of service to the non-profit organization of their choice – except for Calle Mayor Middle School and any family members. Select a project that is important to you, for instance coaching a t-ball team if you play baseball. Any hours completed for CJSF, Girl Scout Silver Awards, Boy Scout Eagle projects do not count for this project. Remember that you are giving your time at no cost – you should not collect any money.

This form needs to be signed by you, your parents, and a representative of the group that you completed service for. You need to have 3 signatures total. You must also attach your 2 page typed response answering the questions below.

Project Approval By: May 13, 2016
Service Hours Project is Due By: May 27, 2016

Project Description	Approval
---------------------	----------

MINIMUM OF 5 HOURS MUST BE COMPLETED

Dates of Service Hours

PROJECT QUESTIONS

2 pages, typed – Times New Roman, 12pt font, double spaced.

1. Describe your service hours. Who, what, where, when.
2. Why did you select this particular service to complete?
3. How did you feel about the service before you started? How did those feelings change after you completed the service?
4. Why is it important for citizens in a democratic society such as ours, to offer their time and services without cost? What benefits are there to our society?
