

# Volunteer Docents are needed for the Adventures in Art Torrance 2016-17 program At Jefferson Middle School!

No art experience is required, just a love of art and willingness to share it with kids!

As a **Docent**, you'll attend AIA's **Orientation** and **5 Workshops** to learn fun art projects to present to students. The workshops will be attended by all AIA docent volunteers from your school and from other participating Torrance schools. After receiving workshop training, you and your school's AIA docent team share the project in assigned classrooms at your school before the next scheduled workshop date. Docents assist in each other's classrooms. Our Year End Brunch celebrates a successful year bring art to our schools.
