

# **JMS** FAMILY ASTRONOMY NIGHT

**Tuesday, February 7th**  
**6pm –9pm**

Experience our INDOOR PLANETARIUM and learn about the night sky, our galaxy & the moon landing. You'll be introduced to Greek mythological characters and how these past heroes can be found in the stars. Presentations will take place every 40 minutes starting at 6:00pm. Please arrive early to reserve a time slot as space is limited.

Eat dinner under the stars! Bring your own dinner and enjoy cookies/snacks provided by the PTSA.

*Astronomy Night is made possible by* JEFFERSON MIDDLE SCHOOL
