## Are You Ready for i-Ready?

Students have wrapped up their first session of i-Ready Diagnostic Assessments. Thank you to all our students for taking the time to do their best AND to our teachers for working together to administer these assessments. The results will be used to help guide instruction, offer support where needed as well as extend learning opportunities for our Jaguars. Our scholars will complete the second half next week, January 18-20 with math.

## In the Sports World...

January 19 kicks off our Volleyball season with the first match against Calle Mayor. We look forward to a competitive season with Coach Swartz and the Jaguars representing Jefferson with the utmost respectful and competitive spirit. Good Luck Jaguars!

Football tryouts were held this week and we look forward to the inaugural season of both girls and boys flag football. Thank you to the more than 60 students who tried out this week. More information to come on those that will wear yellow and black in these exciting events!
