

8th Grade Science Recommended Supply List (2017-2018)

General Supplies:

- Pencils
- Separate eraser
- 2 blue or black ink pens
- Colored pencils or markers (at least 8 different colors)
- Highlighters (at least 4 colors)
- White board markers
- Small student scissors
- Glue stick
- College ruled lined paper
- School Student Planner (provided by JMS PTA –thank you!)
- Textbooks & workbooks (provided by JMS)
- Textbook covers as needed (brown paper grocery bags work fine) ***Do not tape book covers to the textbook**

***All general supplies will be used in multiple classes**

8th grade science students will *also need* to have a 100 sheet, college ruled, spiral bound notebook. This will be used every day in class and will become a science textbook, 100% created by students by the end of the school year.

All recommended supplies can fit into the locker. It is suggested that students organize their materials for 2 classes at a time.

Locker → Periods 1 & 2 → Locker → Periods 3 & 4 → Locker → Periods 5 & 6
