**Winter Season:** *Mid November - End of January*

Basketball, Soccer, Wrestling, Girls' Water Polo

**Spring Season:** *February - Early May*

Baseball, Softball, Track, Swimming, Boys' Tennis, Boys' Volleyball, Boys' Golf

# Eligibility

1. Passed & earned a **2.0 grade point average** in the previous quarter.
2. **May not receive more than one U in citizenship** in all classes in the preceding quarter.
3. Athletes may be removed from 6th period athletics or the course when ineligible for two consecutive quarters.

# Clearance Process

In order to participate in athletics at West High, all students need to complete a clearance process that includes a **physical examination** (hard copy -good for 1 calendar yr.) by a medical doctor. *Best to take after June 1st.* Our clearance process is mostly online and is accessible on our school website ([whs.tusd.org](http://whs.tusd.org)) and includes forms dealing with Health Insurance, Emergency Contacts, Sportsmanship and Ethics. All athletes need to be cleared (including the physical) prior to participation in any practice or game.

# Fundraising

In order to **provide a robust athletic program**, all of our sports need to fund raise. TUSD is able to provide funding for some of the coaches and a *small* amount for equipment and uniforms. Our WHS Activities Office pays for game officials. The bulk of the funding for **uniforms, additional coaches, tournament fees** and **other costs** needs to be raised by the individual sports teams.

# Fundraising

Each sport has different financial needs and will typically have fundraisers prior to their season to raise necessary funds. Every effort is made by coaches to allow students to fundraise through sales and work, rather than ask parents to write a check.

# Transportation - Everyone's Support Need!

WHS teams need to pay for all buses that are used for games and tournaments. Each team is responsible for their costs. Athletes are asked to contribute a minimum of \$130 for their season of sport. For multi-sport athletes and siblings, there are discounts.

# Summer Enrichment Program

When: June 24-July 26

Where: West High School Campus/Aquatic Center

Cost: \$100 for first sport; \$90 for additional sports

Purpose: Give the athletes a “feel” for high school sports;  
Give the coaches an idea of who might tryout.

# Meet the Coaches....

- Representatives and Information will be available for each sport program in our gym.
- A representative from the coaching staff should be available to answer sport-specific questions.
- Make sure to get a flyer for summer enrichment.
